"My little girl had eczema and was cured by Cuticura Soap and Cuticura Ointment. It first started with sores and blisters and was all over her body. She was just red all over and would scratch until it would bleed. It itched so that she could not sleep. I used different medicines but without effect. I washed her with Cuticura Soap and then applied Cuticura Cintment, which resulted in a perfect cure. I used one cake of Cuticura Soap and half a box of Ointment. Also, as a toilet soap, there is nothing better for pimples. My face was covered with pimples and now it is absolutely free from them since I used Cuticura Soap. So I am never without Cuticura Soap and Ointment. Etienne Barbè, Plaucheville, Avoyelles Parish, La., Oct. 8, '09.'"
